This course will cover a range of topics including:

- How to interpret and understand your child's behaviour
- How to help your child organise their feelings
- How to help your child engage more in play and learning
- How to navigate your way as a parent when times are tough
- How to support your child in managing difficult behaviours e.g. tantrums, attention seeking, being clingy.

Circle of Security Parenting for Fathers is a part of Gowrie SA's Fatherhood Support Project. Please feel free to contact us with any enquiries or to book into the group.

"It's never too late. As we are learning new ways of parenting, good things will happen for both us and our children."
