

Circle of Security Parenting

This 8-week program runs for one-and-a-half hours each week and is a parent education program offering the core components of the evidence-based and internationally acclaimed Circle of Security Parenting protocol.

This course translates attachment theory in an accessible way for families, using group discussion and DVD examples. Circle of Security Parenting provides a roadmap to assist adults build stronger relationships with their children. The program is particularly valuable when family members participate together.

Covering a range of topics including:

- ▶ How to interpret and understand your child's behaviour
- ▶ How to help your child organise their feelings
- ▶ How to help your child feel secure in their relationships
- ▶ How to help you discover the strengths in your child and in yourself
- ▶ How to navigate your way in your role as a parent when times are tough
- ▶ How to support your child in managing difficult behaviours, tantrums and meltdowns
- ▶ How to approach and assist your child and yourself with the above.
