This 8-week program runs for one-and-a-half hours each week and offers the core components of the Circle of Security Parenting program. Circle of Security Parenting provides a practical roadmap to assist adults in building stronger relationships with their children.

This course will cover a range of topics including:

- How to interpret and understand your child's behaviour
- How to help your child organise their feelings
- How to help your child feel secure in their relationships
- How to help your child engage more in play and learning
- How to navigate your way in your role as a parent when times are tough
- How to support your child in managing difficult behaviours e.g. tantrums, attention seeking, being clingy.

There will be a crèche available for this group. Refreshments will be provided.

This project is funded by the Australian Government Department of Social Services
