

# Flying Start

Pathways Program

## Diploma Bridging Course

Your path to becoming an Early Childhood Teacher starts here!

Diploma-qualified and working in South Australia? **Take the next step in your career** – enrol in a Birth to 5 teaching degree with an SA university and get the support you need through the Flying Start Pathways Program – Diploma Bridging Course. It's your launchpad into higher education, with **tailored guidance** to set you up for success.

### The free course offers:

- **guidance** on university pathways and early childhood education options (Birth to 5)
- **support** in developing essential study skills and academic confidence
- help with **navigating** university expectations, structure, and assessments
- academic literacy **tools** – from referencing and research to confident academic writing
- information on scholarships, **financial support**, and funded placements
- strategies to **balance** study, work, and life
- guest speakers from universities sharing **insights** and support available
- career pathway advice to help you become a **qualified** early childhood teacher.

### Course details:

Whether you're just starting out or already on your way, this program is your launchpad to a rewarding career in early childhood education.
