

Flying Start

Pathways Program

Transition to University - Information Session

Your path to becoming an Early Childhood Teacher starts here!

Information Session for Diploma Qualified Educators

Take the next step in your career and find out about **University pathways** and **study options**. Get the support you need through the Flying Start Pathways Program. It's your flying start into higher education, with **tailored guidance** to set you up for success!

This free information session includes:

- exploring B-5 **degree possibilities** available and study options
- information on scholarships, **financial support**, and funded placements
- strategies to **balance** study, work, and life
- career pathway advice to help you become a **qualified** early childhood teacher.

Session details:

This session is your launchpad to a rewarding career as an early childhood teacher.

Date: Tuesday 27th April 2027

Time: 6pm - 7pm

Location: Online or in person at Gowrie SA, 43 Dew St, Thebarton

To register or to find out more call 1800 129 606 (select option 2) or email pathways@gowriesa.org.au

This initiative is supported by the Government of South Australia as part of the Flying Start reforms and is fully funded for eligible participants.
