

Flying Start

Pathways Program

Transition to University - Birth to 5 Study Sessions

Your path to becoming an Early Childhood Teacher starts here!

Birth to 5 Study Sessions

Take the next step in your studies and get the support you need through the Flying Start Pathways Program – Birth to 5 Study Session. It's your flying start into higher education, with **tailored guidance** to set you up for success!

The free course offers:

- **support** in developing essential study skills and academic confidence
- help with **navigating** university expectations, structure, and assessments
- academic literacy **tools** - from referencing and research to confident academic writing
- information on scholarships, **financial support**, and funded placements
- strategies to **balance** study, work, and life
- guest speakers from universities sharing **insights** and support available
- career pathway advice to help you become a **qualified** early childhood teacher.

Course details:

Whether you're just starting out or already on your way, this program is your launchpad to a rewarding career in early childhood education.

Date: Thursdays - 30th July, 6th August, 20th August, 27th August

Time: 11am - 1pm
